## JMA

It's time once again to bring in your collecting boxes. Thank you to all who have been collecting over the past year, and to those who contribute so generously. It would be much appreciated if you could give your box to Anne Bainbridge by 22 July please. If anyone would like to start collecting for this worthy missionary cause, or would like to contribute, again, Anne Bainbridge will be happy to provide more information

## Property

At a recent Church Council meeting it was decided to ask a small group of people to prepare a schedule of work required to our property, so that our buildings look good and are suitable for the purposes required currently and in the future. This might include painting and decorating, new lighting, doors etc, even some building alterations.

The group have already made some suggestions and will be looking to members for their suggestions. This will be your opportunity to contribute to the future condition of our buildings.

Please give this some thought so that all suggestions can be considered at an appropriate time in the future. More information will be available in due course.
